Thank You For A Remarkable Round Table!

by Peter Siegel | Oct 20, 2020 | Events

Last week we hosted our Annual Round Table, which for the first time was virtual and held over the course of two days. We had the pleasure of hosting hundreds of participants from around the world bringing their unique perspectives to the event. I continue to be...

Digitizing an American Painting Collection with the Phase One iXH 150MP

by Patrick McDonough | Sep 22, 2020 | Case Studies

We were recently tasked with digitizing and preserving a special collection in partnership with the Mennello Museum in Orlando, Florida. The Mennello Museum holds the Melanson Holt Collection, displaying the works of a variety of artists, including indigenous artists,...

AI in Cultural Heritage: An Iron Man Suit

by Patrick McDonough | Sep 22, 2020 | News

By Doug Peterson and Brady Wilks Proper stewardship of a Cultural Heritage (CH) collection means far more than the possession of iconic physical items. Institutions must describe their collections in ways that make them accessible and useful to visitors, researchers,...

The PA ArCHER Grant Deadline is Now Extended!

by Patrick McDonough | Sep 2, 2020 | News

After considering our current timeline and requests from the community wanting to participate, we have decided to extend the proposal submission due date through the end of September. We recognize this window is short and want to accommodate everyone...

PA ArCHER Grant | Advisory Board

by Carson Boykin | Jul 27, 2020 | News

We are excited to announce the grant advisory board for the DT Heritage Artificial Intelligence in Cultural Heritage Exploratory Research Grant (PA ArCHER Grant). The granting advisory board is comprised of a small group of experts from DT Heritage, Digital...

basICColor Input 6 Pro Software Demonstration

by Kate Stone | Jul 23, 2020 | Color Calibration, Products, Video

Watch our in-house profiling and color expert Spencer Zidarich walk through the features of BasICColor software including the differences between the pro and non-pro versions. Looking for a target to use with BasICColor? We suggest the DT NGTv2 and the ISA Golden...
